## The State Health Plan Member Feedback Survey is HERE!

We're excited to launch our Member Feedback Survey—and we need your help!

Your employees are invited to take a brief, confidential survey that will help the State Health Plan better understand what matters most to your employees. This feedback will play a direct role in shaping the future of the State Health Plan.

Please encourage your employees to participate and share their perspectives. To make it easy, the Plan has provided ready-to-use tools to help you promote the survey.

The tools below are located on the [HBR Training and Development page](#):

- Full page Flyer to post in shared spaces
- Half page Flyer to post in shared spaces
- Email Tools (Header & Signature)
