State Health Plan Board Approves 2026 Premium Rates

The State Health Plan (Plan) Board of Trustees met today to set premiums for 2026.

The approved premiums include increases for most members and a cost reduction for some members who cover children on their plan. To lessen the financial burden on the state's lowest paid active members, the Plan will be introducing salary-based premiums in 2026.

The approved premiums for active, Non-Medicare and Medicare members are below. Please note that salary bands are not applicable to retired members.

Plan members will receive more information regarding benefits and premium rates approved today prior to the 2026 Open Enrollment period which will take place Oct. 13-31, 2025.
