Welcome

The Chairperson welcomed the Committee members and guests to the webinar and performed roll call.

New Business

For informational purposes only, Ms. Jarnigan reviewed the FDA approval status of currently available COVID-19 vaccines and antivirals, all of which remain available at no cost to members. Dr. Robie and Mr. Seats provided additional discussion regarding their personal and professional experiences with Paxlovid.

Ms. Jarnigan also reviewed the FDA approval status of vaccines and antivirals for Smallpox/Monkeypox. Ms. Jarnigan explained that use for Monkeypox is addressed in medical clinic settings, so while vaccines are not administered in the pharmacy setting, these products remain available and on formulary.

Adjourn

The Chairperson addressed the Committee by thanking them for their time and informing them that the meeting would be rescheduled. The meeting was adjourned at approximately 6:45 P.M. (EST).

Stephanie Craycroft-Andrews, Chair
